Order:-

In the Government Orders cited, orders have been issued to the Collectors noted in the margin* for the issue of licences and for the allotment of suitable quotas of foodgrains to the displaced persons from Pakistan who were allotted to the respective districts for rehabilitation. The lists showing the particulars of persons and the trades selected by them which involve dealings in foodgrains were also communicated to them. As orders controlling the distribution of sugar had not been issued then, these lists do not contain particulars of displaced persons, who have been authorised to open tea stalls. Now that such orders have since been issued, the Collectors of these districts are requested to add the names of these persons also with reference to the orders issued by the Public (Elections) Department in this regard from time to time, to the lists of displaced persons already forwarded with the Government Orders and to allot suitable quotas of sugar to them. The Collectors are also requested to allot suitable quotas of sugar to the displaced persons who have been authorised to open sweet meat stalls, restaurants and bakeries, etc.
